Environment

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Hydrometry Framework

Reference number

CA18/2/1/82

II.1.2) Main CPV code

- 71351612 - Hydrometeorology services

II.1.3) Type of contract

Services

II.1.4) Short description

Hydrometry Framework

The Coal Authority (TCA) was established by Parliament to undertake specific statutory duties, set out in the Coal Industry Act 1994, associated with licensing coal mining operations; managing property and the historic legacy arising from the ownership of the coal reserves and underground workings; settling subsidence damage claims and providing access to coal mining information.

The Authority is funded by Grant-in-Aid from the Department for Energy Security and Net Zero (DESNZ). The Authority takes pride in its achievements, quality and motivation of staff, and is focused on delivering its high level objectives sustainably.

Requirement Overview

As part of our work, we require the provision of Hydrometric monitoring services, and are thus seeking to appoint suppliers to a framework which will run for 4 years from early 2024.

Deliverables from this Framework are to provide a service(s) to undertake Hydrometric Monitoring for the Coal Authority, at coal and metal mine sites across the UK.

The Framework will be divided into 6 lots.

1 Options Assessment, design and build

2 Weirs and Flumes

3 Loggers, Water Level Sensors, Rain Gauges, velocity sensors and Water Quality Sensors

4 Spot Flow Gauging and Water Quality Sampling

5 Flow meter verification

6 Hydrometric Monitoring (General Lot)

Framework Users

The primary users will be the Authority's Operations directive. However, other departments, may use the Framework.

This Framework will also be available for use by National Resource Wales (NRW) for similar types of services in relation to current and historic coal and non-coal mining operations.

II.1.5) Estimated total value

Value excluding VAT: £9,500,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

Maximum number of lots that may be awarded to one tenderer: 6

II.2) Description

II.2.1) Title

Options Assessment, design and build

Lot No

1

II.2.2) Additional CPV code(s)

- 71351612 - Hydrometeorology services

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)
- UKD - North West (England)
- UKE - Yorkshire and the Humber
- UKF - East Midlands (England)
- UKG - West Midlands (England)
- UKH - East of England
- UKK - South West (England)
- UKL - Wales
- UKM - Scotland

II.2.4) Description of the procurement

Site survey, options report, detailed design and then construction.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

30 April 2024

End date

30 April 2028

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: No

II.2) Description

II.2.1) Title

Weirs and flumes

Lot No

2

II.2.2) Additional CPV code(s)

- 71351612 - Hydrometeorology services

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)
- UKD - North West (England)
- UKE - Yorkshire and the Humber
- UKF - East Midlands (England)
- UKG - West Midlands (England)
- UKH - East of England
- UKK - South West (England)
- UKL - Wales
- UKM - Scotland

II.2.4) Description of the procurement

Installation, maintenance and decommissioning of weirs and flumes in accordance with ISO standards/ MCERTS.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

30 April 2024

End date

30 April 2029

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: No

II.2) Description

II.2.1) Title

Loggers, water level sensors, rain gauges, velocity sensors and water quality Sensors

Lot No

3

II.2.2) Additional CPV code(s)

- 71351612 - Hydrometeorology services

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)

- UKD - North West (England)
- UKE - Yorkshire and the Humber
- UKF - East Midlands (England)
- UKG - West Midlands (England)
- UKH - East of England
- UKK - South West (England)
- UKL - Wales
- UKM - Scotland

II.2.4) Description of the procurement

Installation, calibration, maintenance and decommissioning of loggers, water level sensors, water quality sensors, velocity sensors and rain gauges.

Installation may include confined space entry.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

30 April 2024

End date

30 April 2029

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: No

II.2) Description

II.2.1) Title

Spot flow gauging and water quality sampling

Lot No

4

II.2.2) Additional CPV code(s)

- 71351612 - Hydrometeorology services

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)
- UKD - North West (England)
- UKE - Yorkshire and the Humber
- UKF - East Midlands (England)
- UKG - West Midlands (England)
- UKH - East of England
- UKK - South West (England)
- UKL - Wales
- UKM - Scotland

II.2.4) Description of the procurement

Spot flow gauging (salt dilution gauging, current meter gauging and ADCP) and water quality sampling programmes, in accordance with ISO standards.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

30 April 2024

End date

30 April 2029

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: No

II.2) Description

II.2.1) Title

Flow meter verification

Lot No

5

II.2.2) Additional CPV code(s)

- 71351612 - Hydrometeorology services

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)
- UKD - North West (England)
- UKE - Yorkshire and the Humber
- UKF - East Midlands (England)

- UKG - West Midlands (England)
- UKH - East of England
- UKK - South West (England)
- UKL - Wales
- UKM - Scotland

II.2.4) Description of the procurement

Verification of pipe flow meters at our pumped Mine Water Treatment Schemes, using either clamp on meters, insertion meters or similar, and of our radar meters installed at weirs/ flumes, using a datum/ bounce plate.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

30 April 2024

End date

30 April 2029

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: No

II.2) Description

II.2.1) Title

Hydrometric monitoring (General Lot)

Lot No

6

II.2.2) Additional CPV code(s)

- 71351612 - Hydrometeorology services

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)
- UKD - North West (England)
- UKE - Yorkshire and the Humber
- UKF - East Midlands (England)
- UKG - West Midlands (England)
- UKH - East of England
- UKK - South West (England)
- UKL - Wales
- UKM - Scotland

II.2.4) Description of the procurement

For Projects which include aspects of more than 1 of the other Lots. All suppliers who are successful for the above Lots will be added to this Lot.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

30 April 2024

End date

30 April 2028

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

20 February 2024

Local time

4:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.7) Conditions for opening of tenders

Date

21 February 2024

Local time

12:00am

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.3) Additional information

This is a non-exclusive framework agreement, and the Coal Authority is unable to guarantee the volume and value of allocated work.

Tenderers may submit a bid for single, multiple or all Lot(s).

We may also split some of the Lots regionally, so suppliers do not have to necessarily be able to cover the whole of the UK.

The estimated framework value, over a 4 year period, is £9.5m.

Coal Authority tenders are now being undertaken by the Authority's eTender portal InBye, details of how to register are attached to this notice.

Should you wish to participate in any electronic tender exercise you will need to register your company details, which will require the provision of some company information and agreement to terms and conditions to access the system.

Use of the system is free of charge.

In order to register please log on to <https://inbye.coal.gov.uk/s2c/>

Further information and tender docs are also to be found at the Government portal Contracts Finder. Link below.
