#### **II.1.4) Short description**

Islington Council invites suitable expressions of interest from suppliers for the above supplies contract.

The requirement

Islington Council is seeking a supplier to supply draught and associated Equipment (the Products) and provide any maintenance associated with such Products for a period of up to five (5) years to Islington Assembly Hall, an 890-capacity venue located in the heart of central London (the Venue). Over the past decade, the Venue has experienced substantial growth, emerging as a bustling and adaptable space regularly utilised by the leading national live music promoters.

We are looking for a draught/draft product supplier that can also provide packaged products and the equipment and support needed to facilitate the sale of these products to our audience. We are looking for state of the art dispense solutions and a wide selection of products that can be provided in bulk, on a regular basis. We also need online, user-friendly ordering and reporting facilities and a designated account manager that can help with any ad-hoc requests.

The Venue has a cellar and cold room for the supply needs of two bars within the main hall of the Venue. We are seeking innovative solutions from our supplier to enable service on the balcony in the absence of a dedicated cold room. We are open to creative ideas and approaches that could make this feasible. For instance, our current setup involves a

free-standing unit that utilises 20-litre Brewlock kegs.
