Award decision-makers Jo Frazee Wise and Olga Buck

There was no conflict of interest identified in the decision making process

Scoring from 0 - 4. % allocation based on importance of the criteria in the service requirement. As this service is needed to meet individual's choice on lymphedema service and to address local and national access and inequality - the criteria for choice and equality was given the highest weighting of 30%. The criteria of Social Value is relatively new that all providers are working towards. In recognition of this the Social Value criteria was given a lower weighting of 10%. The remaining 60% was divided equally between the remaining criteria - Integration, Collaboration and Service Sustainability, Value, and Quality and Innovation, as these were of equal weighting to the service delivery.
