Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Main Contractor to carry out Whole House Retrofit to 114 properties for Swindon Borough Council

Reference number

DN695627

II.1.2) Main CPV code

- 45260000 - Roof works and other special trade construction works

II.1.3) Type of contract

Works

II.1.4) Short description

Swindon Borough Council intends to appoint a main contractor to lead the modernisation and improvement of up to 114 Unity properties within the Council's housing stock.

The homes identified for the project are in the Park South area of Swindon in the SN3 postcode area. The 114 homes all sit within this geographical area across a number of streets.

To participate in this Restricted Procedure, Suppliers will need to Register as a Supplier with ProContract, www.supplyingthesouthwest.org.uk, then Register an Interest before obtaining access to the Selection Questionnaire (SQ) and draft tender documents. In the event of difficulties registering as a supplier, please refer to the System Administrator Proactis support team ProContractSuppliers@proactis.com

Clarifications to be submitted in writing via Messaging in ProContract tender portal, including the project reference and title clearly in the Subject title, by 24th January 2024. The Council's responses to these clarification questions will be issued periodically via Messaging in ProContract tender portal.

Responses to this Selection stage are required to be submitted no later than 2nd February 2024, 14:00 hrs UK Local time via ProContract tender portal -

<https://www.supplyingthesouthwest.org.uk/>

The Council intends to invite five suitably qualified suppliers to tender - details are included in the procurement documents. Estimated date of dispatch of invitations to tender or to participate to selected candidates by 13 February 2024

Please note that this project has been advertised on Find a Tender Service (FTS) Contract Notice/Contracts Finder/ other web portals, however, Supplying the South West Portal, <https://www.supplyingthesouthwest.org.uk/> <http://www.supplyingthesouthwest.org.uk/> is the only portal that includes all the relevant documents required to respond to this opportunity, bearing Project Id: DN 695627

No submission will be considered without completing the PAS91 documents in full including attachments and returning them in alignment with the instructions within the procurement documents.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45211100 - Construction work for houses
- 45211300 - Houses construction work
- 45261215 - Solar panel roof-covering work
- 45321000 - Thermal insulation work
- 45331210 - Ventilation installation work
- 45421130 - Installation of doors and windows

II.2.3) Place of performance

NUTS codes

- UKK14 - Swindon

II.2.4) Description of the procurement

Swindon Borough Council is committed to delivering for our residents, local businesses and communities, with our services providing a lifeline and safety net to residents who need us most through the vital care and support we provide. We're ambitious for the town, realistic about the challenges but excited for the future, and we're acting now to meet the needs of Swindon's growing population.

The Council intends to appoint a main contractor to lead the modernisation and improvement of up to 114 Unity properties within the Council's housing stock. These Unity properties, which suffer with poor thermal efficiency, are based on loadbearing Pre-Cast Reinforced concrete (PRC) structural frames. The project will deliver improvements to the energy performance of the properties via outcomes in line with PAS2035 (Retrofitting dwellings for improved energy efficiency), providing 'whole-house'/ 'whole building' retrofit and energy efficiency measures.

The package of works to be undertaken by the successful Contractor will include, but not limited to:

- External Wall Insulation including roof/gable end alterations and a new structural wall tie system,
- Replacement uPVC Windows and GRP doors,
- Installation of adequate ventilation as necessary,
- New gas boilers and central heating systems,
- Solar PV.

The homes identified for the project are in the Park South area of Swindon in the SN3 postcode area. The 114 homes all sit within this geographical area across a number of streets.

This project is a fundamental driver to support the Council's commitment and drive toward net-zero emissions by 2030, helping to make Swindon greener and more sustainable. Improving the thermal performance of the properties will help reduce CO2 emissions and fuel bills, therefore contributing to the economic sustainability of the households. In addition, the modernisation and improved aesthetics of the properties will contribute to the social sustainability of the surrounding neighbourhoods.

Estimated contract value ranges from £4.5M to £5.47M. Price is not the only award criterion and all criteria are stated only in the procurement documents

The Council has made a separate appointment of a Lead Consultant to carry out all PAS2035 roles (retrofit assessor, designer, co-ordinator, etc), conduct structural and other required surveys, and complete the detailed design, specifications and bills of quantities. Detailed design will be provided with the tender documents.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £5,470,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

End date

31 July 2025

This contract is subject to renewal

No

II.2.9) Information about the limits on the number of candidates to be invited

Maximum number: 5

Objective criteria for choosing the limited number of candidates:

As detailed in the procurement documents

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

As detailed in the procurement documents
