Tender

Joseph Chamberlain Sixth Form College ~ Cleaning Tender

Joseph Chamberlain Sixth Form College

UK4: Tender notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-038104

Procurement identifier (OCID): ocds-h6vhtk-055ad8

Published 8 July 2025, 10:05am

Scope

Description

The successful Supplier will be required to provide cleaning services for Joseph Chamberlain Sixth Form College (1 Belgrave Rd, Birmingham B12 9FF).

The contract being tendered is for three years in duration from 1 April 2026 until 31 March 2029, with the option to extend for a further term of 1 + 1 + 1 years on the same terms and conditions excluding the right to further extend. The contract will be fixed price in nature, with the Contractor invoicing the Client for one-twelfth of the annual cost monthly.

Whilst the monthly charge will represent one-twelfth of the contract cost, a reconciliation will take place monthly to reconcile the actual hours worked within the contract. If the hours worked are less than those budgeted for a credit will be required by the College. This credit will be calculated by dividing the annual contract cost (fixed cost) by the number of annual input hours to arrive at a contractual cost per hour, this will then be multiplied by the number of hours due to arrive at the fiscal credit.

The College requires that the tendered number of hours are always worked, and the successful contractor is expected to have a system in place to cover for both planned and unplanned leave.

The basis and rationale that the Client requires is for the successful contractor to operate to always is being able to provide a clean College that is fit for purpose and that the Contractor is proactive in the management of the contract, thus ensuring that all output specifications are achieved and that the required frequency of cleans is delivered.

The tender project is seeking to appoint a Contractor whose initiative and innovation will be welcomed for the provision of services. The high-quality service levels proposed, should maintain excellent standards throughout, resulting in a clean and pleasant environment for students, staff and visitors within the College consistently.

It should be noted that the successful contractor will be expected to bring to the contract: innovation; new equipment; and cleaning methods, with BIC'S standards being achieved, as a minimum, thus ensuring that the highest levels of cleanliness are maintained in all areas at all times and also ensuring that the productivity of the cleaning operatives is enhanced moving forward into the new contract term.

The successful contractor will be expected to put forwards both innovation and their proposals for making this contract more environmentally sensitive and carbon neutral moving into this contract term both by way of contract delivery, and within the successful contractor's organisation, thus working to deliver the Joseph Chamberlain Sixth Form College's environmental policies

The terms and conditions of employment and recognition offered to the cleaning operatives should be both progressive and forward thinking ensuring that the staffing establishment is always complete and staff turnover is kept to a minimum.

The current annual value of the contract is approximately £318,000.00 plus VAT per annum.
