This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKF - East Midlands (England)

II.2.4) Description of the procurement

The requirement is for the Provider to:

Staff/Candidates -

- Undertake an ongoing health surveillance programme in line with legislation and UoN requirements (job role dependant). This includes but is not limited to roles in Estates and Facilities, Laboratory Technicians and Academic staff within Engineering, Social Science, Sciences, Medicine and Health Sciences and Arts Faculties.
- Undertake health clearance for candidates within a timeframe aligned to the commencement of their hire date.
- Provide and undertake a staff referral process to give line managers occupational health advice to support with fit to work processes such as reasonable adjustments, absence management, phased return to work and ill health retirement.
- Provide relevant immunisations for staff members within timeframes aligned to best practice/legislation/UoN policy.

Student

- Undertake health clearance/fit to study certification for students on relevant courses within a timeframe aligned to the commencement of their course.
- Undertake student fitness to practise checks for those on regulated courses as required by professional and statutory bodies
- Provide relevant immunisations for students on relevant courses within a timeframe aligned to the commencement of placement activity.
- Provide and undertake a student referral process to give Faculty managers occupational health advice to support fitness to study processes, including attendance at university and their attendance on placement where relevant.
- Conduct relevant health surveillance in line with legislative requirements.

The main aims of the Occupational Health Services are as follows.

- To give the UoN access to market leading occupational health systems and resources.
- Provide efficient and customer focused occupational health processes and systems to staff, line managers and students.
- Make proactive interventions to improve the UoN staff and student health and wellbeing
- Provide the UoN with clinical/expert occupational health advice to support with the

management of staff and students.

- To support the UoN to be compliant with relevant Health and Safety legislation by providing expert and clinical occupational health knowledge and advice to make sure systems and processes are up to date.

The UoN has over 8000 staff members and 34,000 students. The UoN has identified the following occupational health risks linked to specific job roles - driving; animal allergens; spirometry; ionising radiation; biological agents; food handling; HAV's; night work; noise; skin/respiratory sensitisers and skin irritants.

II.2.14) Additional information

More information - can be accessed through below tendering portal.

Create Supplier Portal account

(<https://fa-eyyf-saasfaprod1.fa.ocs.oraclecloud.com/fscmUI/redwood/supplier-registration/register-supplier/register-supplier-verification>) or Sign-In to Supplier Portal account (<https://nottingham.ac.uk/unicore>). To view Active Negotiations - Scroll to the 'Supplier Portal' menu option and click the 'Supplier Portal' tile. Click on 'View Active Negotiations' link, under the Tasks panel. Use the search fields to find relevant Negotiations, then click 'Search' (** a value must be provided for at least one of the indicated fields). To search for Active Negotiations where you have not received a direct invitation (i.e. an 'Open' opportunity), select 'No' under the 'Invitation Received' search field, then click 'Search'. The Search Results will display accordingly. Select the Negotiation number hyperlink (N0000001) and access the opportunity.

Additional detail and guidance can be found at

(<https://www.nottingham.ac.uk/dts/accounts-and-access/unicore/unicore.aspx>), within the 'Information for suppliers of goods and services' section.

6 January 2025

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

Where an organisation would like to participate and be invited for the tender opportunity, it shall complete and submit the Preliminary Market Engagement response document to the University by 04 December 2024, 16:00. Your organisation must submit the Preliminary Market Engagement response document to the UoN via the UoN's Oracle Fusion Supplier Portal.

This Preliminary Market Engagement (PME) is intended to facilitate early market engagement only and is not a call for competition. The UoN shall not be held liable for any costs whatsoever resulting directly or indirectly from participation in this PME, and is issued to provide and gather information only. The information contained within this PME, or in any communication made between the UoN and any organisation (in relation to this requirement), must not be assumed as creating a contract or agreement.
