PLEASE NOTE: The tender process for this Monitoring Evaluation and Learning for Green Urban Growth in Somalia (MEL-GUG) itt\_6537 is now set to proceed from the 27 November 2024. All the tender documents and the new timetable have been updated in the itt pack

Foreign, Commonwealth and Development Office (FCDO) is looking for a Supplier to perform Monitoring, Evaluation and Learning (MEL) services for its Green Urban Growth in Somalia (GUG) Programme.

The purpose of the Contract is to provide the independent MEL for GUG's overall programme delivered through the two modalities (commercial contract for £25 million and Partnership Finance Fund agreement worth £11 million) with the aim to:

- i) assess the UK's overall contribution towards achieving the ToC outcomes and impact,
- ii) review the validity of assumptions in the ToC throughout implementation; and

iii) assess if the programme structure and delivery modalities are fit-for-purpose to achieve the desired results and iv) document lessons learned to inform decision-making and strengthen the global evidence base on urban development and building resilience to climate change in FCAS.

The expected start date of the Contract is March/April 2024. The Contract value is £3million with an option to increase by an additional £1.5million during its term ending on 30 September 2030 or during the optional extension period of up to 24 months.
