Section VI. Complementary information

VI.3) Additional information

The decision to award this contract in line with the Competitive Process was based on evaluation against the basic selection criteria (in the form of a Selection Questionnaire), which was assessed on a pass/fail basis, and the PSR 5 key criteria, which were assessed on a 0-4 scale, with the below weightings.

Several tender questions were asked under each of the key criteria.

Quality & Innovation - 35%

Value - 10%

Integration, Collaboration and Service Sustainability - 17%

Improving access, reducing health inequalities, and facilitating choice - 26%

Social Value - 12%

The providers selected for award have been chosen as they passed the basic selection criteria and were the highest scoring bidder overall, against the key criteria.

After conducting a thorough Competitive Process, taking into account the key criteria and applying the basic selection criteria, Buckinghamshire, Oxfordshire and West Berkshire (BOB) Integrated Care Board (ICB) is content that the providers' bids sufficiently met the key criteria and thus can proceed to contract award under the Health Care Services (Provider Selection Regime) Regulations 2023.

There was one potential declaration of conflict of interest made via the conflict of interest process and recorded accordingly. It was not deemed as an actual conflict or risk to the procurement, but was still managed accordingly with appropriate mitigations.

Award decisions have been recommended by the Buckinghamshire, Oxfordshire and West Berkshire (BOB) Integrated Care Board (ICB) Head of Pharmacy, Optometry and Dentistry, with key decision makers being the Chief Finance Officer and Chief Executive for BOB ICB.

The ICB decided to rewind the procurement for Lot 5 in order to re-evaluate 3 specific ITT questions, following a representation from a provider.

The 3 questions were completely re-evaluated for all bidders that submitted against this

Lot. This was done with a new evaluation panel and procurement lead and administrator. Bidders were not asked to re-submit or provide any additional information to support this re-evaluation.

The formal standstill letter issued on 14th April was formally withdrawn, and a new award and standstill will now be undertaken.

For the avoidance of doubt, this related solely to Lot 5. No other Lot was affected.

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The publication of this notice marks the start of the standstill period. Representations by providers must be made to the relevant authority by midnight on Monday 21st July 2025. This contract has not yet formally been awarded; this notice serves as an intention to award a contract under the competitive process of the PSR.

Written representations should be sent to scwcsu.procurement@nhs.net
