Lot 2a. The Provision of Care and Support at Apsley Court and Durham House

The Council estimates this procurement opportunity based on best market valuation of an estimated annual contract value for Lot 1 of £2.3m and £1.3m for Lot 2. To be considered for these opportunities, Tenderers shall have a minimum yearly turnover of at least £4.6m for Lot 1 or £2.6m for Lot 2.

As a Condition of Participation, tenderers must demonstrate that they have sufficient financial standing to perform the contract.

This will be assessed in the following way:

- The Council will firstly obtain the tenderers' credit rating using Data8 'Business Insights' during the evaluation period. Tenderers that have a credit score of 50 or above and have met any minimum turnover requirements (if included) will be deemed to have sufficient financial standard.

- Tenderers that have a credit rating below 50 will be subject to further financial checks. This will be in the form of ratio analysis based on the tenderers' latest accounts (or other evidence, as uploaded by the tenderer on the Find a Tender site). Specifically, tenderers must demonstrate the following:

- o Trade debtor days to be a maximum of 60 days.

- o Trade creditor days to be a maximum of 60 days.

- o Current ratio to be above 0.6.

- If a tenderer does not meet the criteria above, it will be excluded from the process without further evaluation.
