Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure without publication of a contract notice

- No tenders or no suitable tenders/requests to participate in response to negotiated procedure with prior publication of a contract notice
- The products involved are manufactured purely for the purpose of research, experiment, study or development
- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The justification for a single source approach on this workstream is for technical reasons. Collins Aerospace are the OEM of the equipment.

No other Mil Spec Maritime Underwater Nav System exists. Collins Aerospace (Rockwell Collins Australia Pty) are the only supplier with the required technical ability and approval from US Govt to integrate and deliver a mil spec (M-code) GPS receiver into a handheld underwater dive system. It is considered that the award of the contract without prior publication of a contract notice in the UK e-notification service (in accordance with the relevant legislation) is lawful in accordance with regulation 16(1)(b)(ii) of the DSPCR 2011 for technical reasons.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section V. Award of contract/concession

Contract No

712614450

Title
