II.2.4) Description of the procurement

The Council wishes to seek proposals from prospective marketplace suppliers to assist in the implementation of Omnichannel facilities for Dundee City Council.

The preferred supplier or suppliers will be called upon to provide various levels of assistance.

The initial scope of the project being to establish the omnichannel facilities in Customer Services processes. With the solution allowing flexibility to expand into further Service areas

as required.

The Council is seeking to significantly increase the volume of requests and transactions handled by a combination of automated chatbot facilities and webchat. Additionally the Council wishes to consider a resolution of a high volume of calls through conversational automated intelligence.

The outcome of this will see a reduction in enquiries handled by Council staff and the ability of Council staff to manage multiple threaded queries.
