Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

CITB are intending to Direct Award a research project for retrofit for 12 months to Nottingham Consultants Limited who have specific expertise and IP in retrofit research having established a new Centre for Sustainable Construction & Retrofit. The centre has been set up to enable the transition to net zero within the built environment sector with established expertise, stakeholder networks and existing research to support this project. In addition, Dr Marina Topouzi (University of Oxford) by way of a subcontractor, will participate in the research project and brings with her specialist expertise and IP having been a member of the technical committee that oversaw the development of the PAS 2030/2035/2038 standards that underpin much of the innovative training in this domain. This combined approach will provide CITB with the best possible research on which to base CITBs Repair, Maintenance and Improvement (RMI) Sector Skills Plan funding.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section V. Award of contract/concession
