- 1 year

Main procurement category

Services

CPV classifications

- 72200000 - Software programming and consultancy services

Other information

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Direct award

Direct award justification

- Single supplier - technical reasons
- Additional or repeat goods, services or works - extension or partial replacement

The contract is being awarded without prior publication of a call for competition due to; technical reasons: The supplier has the technical capability and knowledge to decommission the current funding service and manage the data migration process in a live operational environment. The supplier has delivered 70% of the project and a change of supplier would result in disproportionate technical difficulties and duplication of cost.
