SRC has appointed the successful Suppliers ranked 1. and 2 in respect of Lots 2 and 3. The highest ranked supplier is the. Most. Economically Advantageous Tender (MEAT) and will be awarded. the contract. The Supplier. ranked 2 is required for capacity and.. contingency reasons, as mentioned within the Specification, with no. guarantee of work. For Lots 1, 4, 7, 9 and 10, one Supplier has been. appointed. For all Lots, the. successful contractor's performance. on. the contract will be regularly monitored in line with the tender. documentation. Contractors. not. delivering on contract requirements. is. a serious matter. It means the public purse is not getting what. it is paying for. If a contractor. fails.

to reach satisfactory levels of contract performance they will be given a specified time to improve. If, after the specified time, they still fail to reach satisfactory levels of contract performance, the matter will be escalated to senior management in CPD for further action. If this occurs and their performance still does not improve to satisfactory levels within the specified period, it may be regarded as an act of grave professional misconduct and they may be issued with a Notice of Unsatisfactory Performance and the contract may be terminated. The issue of a Notice of Unsatisfactory Performance can result in the Contractor being excluded from all procurement competitions being undertaken by Centres of Procurement Expertise on behalf of bodies covered by the Northern Ireland Procurement Policy for a period of three years from the date of issue. The Authority expressly reserves the rights; not to award any contract as a result of the procurement process commenced by publication of this notice; to make whatever changes it may see fit to the content and structure of the tendering Competition; to award (a) contract(s) in respect of any part(s) of the services covered by this notice; and to award contract(s) in stages and in no circumstances will the Authority be liable for any costs incurred by candidates...

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

CPD complied with the Public Contracts Regulations 2015 and incorporated a standstill period (i.e. a minimum of 10 calendar days) at the point information on the award of contract was communicated to tenderers. That notification provided full information on the award decision. This provided time for the unsuccessful tenderers to challenge the award decision before the contract was entered into.
