II.2.4) Description of the procurement

Milton Keynes City Council (The Council) wishes to invite applications for admission to the Dynamic Purchasing System (DPS) for supply and installation of Bus Stop Infrastructure. The Bus Stop Infrastructure DPS is required so that the delivery of the Authority's capital programme of bus stop upgrade projects is supported by suitably qualified, experienced suppliers. Any contracts that are to be awarded via this DPS will be done so via the terms of this DPS. Tenders are expected to be run throughout the term of the DPS. The resultant contracts will run for the period stated within the specification/requirement. The total value of DPS will not be greater than £3.3 million There will be no guarantee of work or volume of work to be given under this DPS. The services are procured under a multiple-provider Dynamic Purchasing System. There will be no limit to the number of Providers accepted onto the Dynamic Purchasing System, providing they meet the selection criteria. The Council is therefore able to add Suppliers throughout its term. New Suppliers will be able to apply to be accepted onto the Dynamic Purchasing system at any point during the term of the DPS. Suppliers are responsible for ensuring that they inform the Council of any material changes to the information supplied in any application at any time during the term of the DPS. The Council will consider material changes and decide if they impact upon the Supplier's ability to comply with the requirements of the service specification.
