Description of risks to contract performance

The satisfactory performance of the contract may be jeopardised by the following risks, which by their nature, are unable to be addressed in the contract as awarded:

- The changing needs and requirements of the Council and the changing demands placed on the Council by its customers. increases or decreases in funding - such as reductions or additions in budget allocations as part of the Council's budget setting processes, or as a consequence of additional funding streams which were unknown at the time of awarding the contract, but which are provided to increase the volume and scope of services delivered
- Changes in legislation or national guidance
- The identification of additional service recipients, not originally captured by the scope of the contract
- Opportunities offered by emerging/new technologies and/or products.
