II.2.4) Description of the procurement

This School-aged Health Improvement and Prevention Service (SHIPS) will be delivered across Peterborough in line with the emerging integrated place-based 5-19/25 model. This will add system capacity to the co-ordination of place-based services for this cohort as well as the provision of a 'Healthy Schools' online resource and accreditation scheme, and delivery of Public Health Interventions (PHI).

The vision for the service is that it engages all types of education settings staff, students, governors, parents/carers and their wider communities across Peterborough to work together to enable local children, young people, their families/carers and communities to be healthy, happy and achieve, and the reduction of health inequalities.

It is recognised that in spite of the name of service, there is an expectation that the service will work with young adults that are beyond school-age, up to the age of 25 for some elements of the service. This will notably be in relation to sexual health and SEND.
