Section II: Object

II.1) Scope of the procurement

II.1.1) Title

SC250080 - Household Waste Recycling Centres and Waste Transfer Stations

Reference number

DN749075

II.1.2) Main CPV code

- 90530000 - Operation of a refuse site

II.1.3) Type of contract

Services

II.1.4) Short description

Kent County Council (KCC) is seeking dynamic and innovative partners to join us in enhancing waste management across the county. We are offering new supply contracts to deliver top-tier services at our Household Waste Recycling Centres and Waste Transfer Stations.

Management and Operation of Waste Sites: This includes staffing, equipment, waste segregation, facilities management, asset management, maximising recycling and reuse, and negating the use of landfill.

Haulage of Waste to Final Disposal Outlets: The majority of waste streams need to be transported to specific disposal outlets, as cost effectively as possible. Some waste types will be collected on-site by third-party suppliers.

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Lot No

1

II.2.2) Additional CPV code(s)

- 34144510 - Vehicles for refuse
- 34144511 - Refuse-collection vehicles
- 34144512 - Refuse-compaction vehicles

II.2.3) Place of performance

NUTS codes

- UKJ4 - Kent

II.2.4) Description of the procurement

Kent County Council (KCC) is seeking dynamic and innovative partners to join us in enhancing waste management across the county. We are offering new supply contracts to deliver top-tier services at our Household Waste Recycling Centres and Waste Transfer Stations.

What We're Looking For:

We need partners who are committed to excellence, provide innovation, value for money and sustainability, whilst offering an affordable waste management service for Kent.

Management and Operation of Waste Sites: This includes staffing, equipment, waste segregation, facilities management, asset management, maximising recycling and reuse, and negating the use of landfill.

Haulage of Waste to Final Disposal Outlets: The majority of waste streams need to be transported to specific disposal outlets, as cost effectively as possible. Some waste types will be collected on-site by third-party suppliers.

Total Contract Value: range £0m - £227,200,000

Why Partner with Us?

Regional Focus: Contracts are divided into two operational lots based on regional needs, allowing you to focus on areas where you can make the most impact.

Unlimited Potential: There's no limit to the number of lots you can be awarded, giving you

the opportunity to expand your operations and influence.

Future-Ready: Contracts commence on 1st May 2027, giving you ample time to prepare and innovate.

Long-Term Security: Enjoy a contract duration of 10 years, with the possibility of a 6-year extension, providing stability and long-term planning opportunities.

Sustainability Leadership: Be at the forefront of sustainable waste management practices, helping to shape a greener future for Kent. We seek partners who align to and help us deliver KCC's environmental goals.

Social Value: Recognise the importance of social value and its positive impact on local communities. Your efforts will contribute to job creation, improved infrastructure, and enhanced public health.

Innovation Opportunities: Lead in innovation by implementing cutting-edge technologies and improved processes in waste management, such as introducing reuse opportunities.

Support and Partnership: Benefit from a dedicated KCC team that ensures support and fosters a partnership ethos throughout the contract duration.

For more details, check out the 'Call for Competition' on the Kent Business Portal. Join us in making a greener, cleaner Kent!

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

120

This contract is subject to renewal

Yes

Description of renewals

The initial term for this contract is ten years with a potential extension period of up to six years.

Please refer to the Procurement Documents available on the Kent Business Portal for further information.
