Quality criterion - Name: Vehicle and Plant Information / Weighting: 10

Price - Weighting: 60

II.2.11) Information about options

Options: Yes

Description of options

- Additional delivery premises not shown in the tender documents. This may be in response to new Premises being identified and/or changes in how the Council's in house operations are resourced and delivered.

- Additional vehicles and plant of a similar nature to those requested in the tender documents. This may be in response to other services being identified over the duration of the contract which can provide temporary support for the Council's in house operations to cover any shortfall in available resources. The contractor will be expected to price based on similar Premises/ tasks priced in the Pricing Schedule.
- Hire of vehicles over 7.5T such as refuse collection vehicles, beaver tail truck, suction road sweeper, precinct sweeper and tipper truck etc may be required throughout the duration of the contract. If a vehicle or plant is required, the Council shall contact all suppliers on the contract to advise them of their requirements and expected delivery period. They will then request a price from any supplier who can meet the requirements, the supplier with the lowest price and who can meet all the requirements shall be successful. If no supplier can provide the vehicle or plant the council shall obtain the vehicle or plant from another Source.
- Introduce required changes associated with the service to accommodate changes to the Council's operational model and working practices e.g. functional re-structuring, new customer hub, etc;
- Major incident/ environmental incident that requires resource support i.e. waste clean up/spill, additional waste vehicles or additional qualified resources.
- Large scale projects or changes may be subject to price negotiation based on economies of scale. The Council reserves the right to explore/ use other procurement options in all circumstances where VFM is not demonstrated.
- Any contract variation may be subject to further Council internal approvals and be in accordance with the provisions of the Public Contracts Regulations.
- Circumstances may arise where vehicles may be required with driver

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

Quality 30%

Social Value 10%

II.2) Description

II.2.1) Title

Lot No

Lot 2 - Hire of Glass Collection Vehicle

II.2.2) Additional CPV code(s)

- 34144511 - Refuse-collection vehicles
