Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

Emixa is now the only reseller capable of supporting the full range of software used by STFC. The other (three) resellers have specialised in particular areas: one in Manufacturing and the other two in design analysis. The software applications are integrated to provide a single system for all design functions, this requires that any company providing support services MUST be capable of supporting all of the packages.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
