Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Part 4A: Technical and professional ability

Minimum level(s) of standards required:

It is a mandatory requirement of this contract that the Contractor and any proposed sub-contractor provide or are members of a comprehensive internet and phone-based travel planning service (e.g. Traveline or a suitable equivalent).

The Service Provider shall have and keep in force for the duration of the Contract a Public Service Vehicle Operator's Licence of the relevant classification as required by Section 12 of the Public Passenger Vehicles Act 1981 or a Community Bus Permit issued under Section 22 of the Transport Act 1985 which permits the operation of the Service and shall produce the licence or permit at any time for inspection by an authorised officer of the Council.

All vehicles being used in the performance of this Service shall be licensed, equipped, maintained and insured as required.

It is the Service Provider's responsibility to ensure that all vehicles employed can use the roads utilised for the Service bearing in mind the requirements of weight restrictions, low bridges, Traffic Regulation Orders and any specific restrictions listed in the Schedule of Requirements.

Unless the Council stipulates otherwise, vehicles used on the service must be of low-floor, fully accessible specification, in accordance with The Public Service Vehicles Accessibility Regulations 2023.
