Framework operation description

On a quarterly basis, a mini-competition process will be used to award requirements for general tree works.

All Suppliers on the framework will be sent details of the jobs required and invited to return their bids by a specific date and time.

Evaluation criteria for each mini-competition is as follows:

Price - 100%

The bidder(s) with the lowest price will be offered the award.

Emergency tree works will be on a direct award basis. Framework Suppliers will be

ranked on the basis of their overall score. When emergency works are required, the Supplier ranked in first place will be contacted and asked to attend within 1 hour. If the Supplier ranked in first place is unable to attend to the emergency or is unable to be contacted, the Supplier ranked in second place will be contacted and so on.
