- UKF - East Midlands (England)

Main site or place of performance

- Queens Medical Centre, Derby Road, Nottingham, NG7 2UH
- City Hospital, Hucknall Road, Nottingham NG5 1PB
- Ropewalk House, 113 The Ropewalk, Nottingham, NG1 5DU

II.2.4) Description of the procurement

The Purpose of the Client's generators is to provide resilience in the event the property's electrical supply is disrupted e.g. due to mains power failure or localised electrical infrastructure failure.

The Objective of the Client's generators is to ensure the Client's critical operations, including, but not limited to operating theatres, aren't hindered due to lack of electrical supply.

In order to satisfy the Purpose and Objective, the service shall include, but not be limited to, the following:

- a) service and maintain the Client's generator sets to a high standard to ensure all of the Client's generators operate to a high level of reliability, efficiency and availability.
- b) ensure that temporary generators are supplied and installed as part of the Contractor's proposed disaster recovery solution to provide resilience within the minimum timeframes in the event any of the Client's generator set(s) fail or be unavailable for any reason.
 - Installation shall include, but not be limited to, doing everything necessary to enable the Contractor's temporary generator set to provide electricity supply to the Client's property.

c) Make suggestions/recommendations to increase reliability whilst providing value for money.

In addition to the requirements set out in the Scope, the Contractor shall ensure the Client's generator sets are serviced and maintained in accordance with the following:

- a) Health Technical Memorandum 06-01 (HTM 06-01)
- b) Health Technical Memorandum 06-02 (HTM 06-02)
- c) relevant manufacturer's recommendations
- d) relevant industry standards
- e) good industry practice

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £1,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

1 April 2025

End date

31 March 2030

This contract is subject to renewal

No

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Nottingham University Hospitals NHS Trust (The Client) will incorporate a minimum 10 calendar days standstill period at the point of information on the award of the contract, as communicated to Bidders. Applicants who are unsuccessful shall be informed by the Client as soon as possible after the decision has been made as to the reasons why the applicant was unsuccessful. If an appeal regarding the award of the contract has not been successfully resolved, The Public Contracts Regulations 2015 provide for aggrieved parties who have been harmed or are at risk of harm by breach of the rules to take legal action. Any such action must be brought within the applicable limitation period. Where a contract has not been entered into, the Court may order the setting aside of the award decision or order for any document to be amended and may award damages, make a declaration of ineffectiveness, order for a fine to be paid, and/or order the duration of the contract be shortened. The purpose of the standstill period referred to above is to allow the parties to apply to the Courts to set aside the award decision before the contract is entered into.
