Supply & Distribution of Baby Packs (1)

Reference number

24-045

#### II.1.2) Main CPV code

• 33750000 - Baby care products

## II.1.3) Type of contract

Supplies

#### II.1.4) Short description

The Council are seeking a provider with the capability and capacity to deliver a new pilot scheme on behalf of the Council for the Supply and Distribution of Baby Packs.

The baby pack scheme consists of purchasing good quality goods, assembling, and then delivering an agreed baby pack to new mums in Rotherham who have indicated to their midwife that they would like to receive a pack.

The supplier will be required to deliver up to 2,800 baby packs annually to Mums home address and subject to the volume of midwife registrations completed. This figure is based on annual birth trends over the last two years however the volumes will be subject to the completion of the registration process and may fluctuate.

Bidders interested in this opportunity must submit a Sample Baby Pack for Visual Inspection as part of the quality evaluation, this must include all items contained within the essential list.

#### II.1.6) Information about lots

This contract is divided into lots: No.

#### II.1.7) Total value of the procurement (excluding VAT)

### II.2.4) Description of the procurement

The Council's intention is to establish a single provider framework for 24 months which will enable call off orders to be placed over this period subject to the completion of a midwife registration.

.

Bidders are advised that the budget available for the provision of this scheme is £360,000 per annum over 24 months which equates to a total of £720,000 for the full pilot period. Based on the volume of projected registrations this determines a maximum budget per

baby pack of £128.57 for all essential items listed and overheads.

.

The supplier will be required to deliver up to 2,800 baby packs annually subject to the volume of midwife registrations completed. This figure is based on annual birth trends over the last two years however the volumes will be subject to the completion of the registration process and may fluctuate.

.

The Council intends to call off an initial order of 1,400 units (this is based on 2 quarters of the projected births and registrations) to develop a baseline stock level to be held and m

#### VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Precise information on deadline(s) for lodging appeals: The Contracting Authority will incorporate a minimum 10 calendar day standstill period at the point information on the award of the Contract is communicated to tenderers. Applicants who are unsuccessful shall be informed by the Contracting Authority as soon as possible after the decision has been made as to the reasons why the applicant was unsuccessful. If an appeal regarding the award of the contract has not been successfully resolved, the Public Contracts Regulations 2015 (as amended) provide for aggrieved parties who have been harmed or are at risk of harm by breach of the rules to take legal action. Any such action must be brought within the applicable limitation period. Where a contract has not been entered

into, the Court may order the setting aside of the award decision or order the Contracting Authority to amend any document and may award damages. If the Contract has been entered into, the Court may, depending on the circumstances, award damages, make a declaration of ineffectiveness, order the Contracting Authority to pay a fine, and/or order that the duration of the Contract be shortened. The purpose of the standstill period referred to above is to allow the parties to apply to the Courts to set aside the award decision before the contract is entered into.

#### VI.4.4) Service from which information about the review procedure may be obtained
