Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Where it is required, within a bidder's country of establishment they must confirm which authorisation or memberships of the relevant organisation(s) are required in order to perform this service.

Registration with Companies House (or equivalent).

III.1.2) Economic and financial standing

List and brief description of selection criteria

Bidders will be required to have a minimum yearly "specific" turnover of 400,000GBP for the last 3 years in the business area covered by the contract.

Bidders who cannot meet the required level of turnover will be excluded from this tender.

Where turnover information is not available for the time period requested, the bidder will be required to state the date which they were set up or started trading.

It is a requirement of this contract that bidders hold, or can commit to obtain prior to the commence of any subsequently awarded contract, the types and levels of insurance indicated below:

Employer's (Compulsory) Liability Insurance = 10MGBP in respect of any one event

<http://www.hse.gov.uk/pubns/hse40.pdf>

Public Liability Insurance 10MGBP in respect of any one event

Product Liability Insurance 5MGBP in the aggregate

III.1.3) Technical and professional ability

List and brief description of selection criteria

Bidders are required to provide 2 examples of services carried out in the past 3 years that demonstrates they have the relevant experience to deliver the services described in the Contract Notice. The services must be of a similar value, size and scope. Unsatisfactory experience will result in exclusion from the tender process.

Bidders must also provide 2 satisfactory references for the same 2 contracts on the reference templates provided. References should be completed and signed by previous customers for contracts of a similar value, size and scope. If any of the referees score the bidder less than 2 the bidder will be excluded from the tender process.

Completed experience and reference templates must be zipped and uploaded at question 4C.1 of the qualification envelope.

Bidders who intend to use a supply chain to deliver the requirements detailed in the Contract Notice, must confirm they have (or have access to) the relevant supply chain management and tracking systems to ensure a resilient and sustainable supply chain. This will include confirmation that they have the systems in place to pay subcontractors through the supply chain promptly and effectively, and provide evidence when requested of:

- a) their standard payment terms.
- b) 95% of all supply chain invoices being paid on time (in accordance with the terms of contract) in the last financial year.

Bidders unable to confirm (b) must provide an improvement plan, signed by their Director, which improves payment performance.

.

Bidders are required to confirm the supplier's staff have the following relevant educational and professional qualifications:

Contractor is required to have completed Asbestos Awareness Training as they may come across Asbestos Containing Materials – in accordance with Control of Asbestos Regulations 2012.

Required to act in accordance with Approved Code of Practice and Guidance L8 HSG274 “Legionnaires Disease” Part 2: The control of legionella bacteria in hot and cold water systems.

Bidders are required to confirm whether they intend to subcontract and, if so, for what proportion of the contract.

Bidders who intend to subcontract more than 25% to any individual organisation must ensure the SPD (Scotland) - Subcontractors Supplier Response is completed and uploaded at question 2D.1.2 of the qualification envelope.
