II.2.5) Award criteria

Quality criterion - Name: Quality 60 Social Value 10 / Weighting: 70

Price - Weighting: 30

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

Lot 1 - Property Maintenance Contractor – North . The Authority wishes to appoint six Economic Operators EOs to enter into a Pan Government Collaborative Property Maintenance Framework Agreement 2024 hereafter referred to as 'the Agreement'. One Economic Operator will be appointed for Lot 1, Lot 2 and Lot 3 respectively.. The Agreement will provide the following property maintenance services to the Northern Ireland Government estate: . • planned preventative maintenance PPM works; . • remedial maintenance; . • reactive maintenance; and. • projects up to a value of £75,000, including design services as necessary.. The Agreement will comprise three geographic areas of Northern Ireland - North, South and West as listed below. Document 6 of 7 Affected Property provides details of the geographic areas and associated Government properties. . • Lot 1 - Property Maintenance Contractor – North . • Lot 2 - Property Maintenance Contractor – South . • Lot 3 - Property Maintenance Contractor – West. • Lot 1R - Property Maintenance Contractor – North – RESERVE. • Lot 2R - Property Maintenance Contractor – South – RESERVE . • Lot 3R – Property Maintenance Contractor – West – RESERVE. . No services will be delivered through the Agreement. On entering into the Agreement, each Contractor appointed to Lots 1, 2, and 3 will also be entering into multiple NEC4 Facilities Management Contracts FMCs as the Service Provider, one with each Client. Please refer to Schedule 5 of the Agreement for details of contract award procedures. Schedule 10 of the Agreement details the 'Client Group' who will enter into FMCs with the Contractor for each Lot. . It is estimated that the aggregated value of services to be delivered through each individual Lot is as detailed below: . Lot 1 North - £6m - £8m per annum.. Lot 2 South - £6m - £7.5m per annum.. Lot 3 West - £5m - £6.5m per annum.. However, the appointment of a Contractor to the Agreement is not a guarantee of any future workload, but demonstrates an intention to utilise the appointed Contractors to provide services where appropriate. The overall volume and value of property services that will be delivered through the NEC4 FMCs will be wholly dependent on Clients' asset portfolios. The current budget constraints are anticipated to influence the volume of services and works delivered through the NEC4 FMCs. The Reserve Contractors for Lots 1R, 2R and 3R will not enter into any NEC4 FMCs at the time of appointment to the Agreement. Schedule 5 of the Agreement details the procedure by which an FMC would be awarded a Reserve contract as a Service Provider.. . The Agreement will be available for use by public sector organisations requiring property related services in Northern Ireland including:- . • Government Departments and their Agencies; . • Non-departmental Public Bodies; . • Other Contracting Authorities . . It is

anticipated that most of the services will be in relation to: . • office estate;. • courts;. • workshops;. • laboratories;. • agricultural facilities;. • colleges and associated sleeping accommodation. • forest facilities;. • storage facilities;. • amenity facilities;. • sports facilities;. • historic buildings and monuments; . • business/industrial units . • port facilities; and . • vehicle test centres. The Agreement and associated FMCs will provide property maintenance services as described above and as set out below.. PPM Service Orders will require the Service Provider to undertake scheduled visits to service systems and equipment to minimise breakdowns, ensure business continuity, and compliance with relevant statutory, regulatory, and other authoritative requirements, as specified in the Scope. This will include scheduled routine inspection, testing, servicing and reporting on the components and systems as set out in S2023 SFG20 Core Custom Schedules.. Remedial Service Orders will require the Service Provider to undertake repairs to buildings or to replace equipment and systems identified by the Service Provider during a PPM Service Order.. Reactive Service Orders will require the Service Provider to undertake repairs to buildings, equipment, mechanical electrical systems within a defined timescale. Historical data on the nature and volume of reactive Service Orders in 2022/23 is provided at Annex E. Economic Operators should note that this historical information does not necessarily indicate the level of reactive Service Orders that will be issued as part of this Agreement, but merely provides a broad indicator of potential reactive Service Orders. . . Projects will be instructed in accordance with the terms of the FMC, through the issue of a Project Order. These works relate to building, mechanical, electrical, painting and/or specialist construction works projects to meet specific client requirements. Project Orders will not normally exceed £75,000.00 and may also include design services.. .

Section VI. Complementary information

VI.3) Additional information

The Authority expressly reserves the right (a) not to award any Contract as a result of the procurement process commenced by.. publication of this notice; (b) To make whatever changes it may see fit to the content and structure of the tendering competition; and in.. no circumstances will the Authority be liable for any costs incurred by candidates participating in this competition. Contracts awarded as.. a result of this procurement process shall be considered as a contract made in Northern Ireland and subject to the exclusive jurisdiction.. of the Northern Ireland Courts. The Contracting Authority reserves the right not to award any contracts as a result of this competition... The process may be terminated or suspended at any time without cost or liability to the Contracting Authority. While it intends to do so,.. the Contracting Authority does not bind itself or others to enter into any contract arising out of the procedures envisaged by this notice... No contractual rights expressed or implied arise out of the notice or procedures envisaged by it. The Contracting Authority reserves the.. right to vary its requirements and the procedures relating to the conduct of the award process. The Contracting Authority shall disqualify.. any Economic Operator which is ineligible under Regulation 57 of the Public Contracts Regulations (PCR) (subject to any overriding public.. interest requirement) and reserves the right to disqualify any organisation which: (a) Provides information or confirmations which later.. prove to be untrue or incorrect; (b) Does not supply the information within the timescale required by this notice or by the Invitation to.. Tender Documentation or as otherwise required during the process. . . Instructions on how to submit a tender; - Suppliers must be.. registered on the Contracting Authorities e-procurement portal, eTendersNI available on the following link: <https://etendersni.gov.uk/>.. epps/home.do . . All suppliers should follow the instructions on how to submit a tender within the Introduction and Brief Explanation.. document held within the documents area for this procurement on the eTendersNI portal..

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

This procurement is governed by the Public Contracts Regulations 2015 and.. provides for economic operators who have suffered, or who risk suffering, loss, or damage, as a consequence of an alleged breach.. of the duty owed in accordance with Regulation 91 to start proceedings in the High Court. A standstill period will commence at the.. point information on the award of the contract is communicated to tenderers. That notification will provide information on the award.. decision.. . The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge.. the award decision before the contract is entered into. Any proceedings relating to any perceived non-compliance with the relevant law.. must be started within 30 days, beginning with the date when the economic operator first knew, or ought to have known that grounds.. for starting the proceedings had arisen. (A court may extend the time limit to 3 months, where the court considers that there is a good.. reason for doing so)..
