### **Scope**

### **Description**

Oxfordshire County Council is seeking to speak with interested parties regarding the collection, transportation, and treatment of closed landfill leachate from sites for which the Oxfordshire County Council is responsible.

This contract outlines the terms and conditions for the collection, transportation, and treatment of leachate from closed landfill sites under the legal responsibility of Oxfordshire County Council.

Scope of Work:

- Collection of leachate from designated closed landfill sites
- Safe transportation of leachate to approved treatment facilities
- Treatment and disposal of leachate in accordance with relevant regulations and

standards

The contractor will provide these services in compliance with all applicable laws, regulations,

and industry best practices.

### **Total value (estimated)**

- £1,800,000 excluding VAT
- £2,160,000 including VAT

Above the relevant threshold

### **Contract dates (estimated)**

- 1 February 2026 to 31 January 2029
- Possible extension to 31 January 2032
- 6 years

### **Main procurement category**

Services

### **CPV classifications**

- 90000000 - Sewage, refuse, cleaning and environmental services

### **Contract locations**

- UK - United Kingdom

---

## **Engagement**

### **Engagement deadline**

25 August 2025

### **Engagement process description**

We are inviting interested suppliers to participate in a soft market testing

1. Express Interest: Submit your interest through the e-tendering portal.
2. Meeting Arrangement: We will contact you to schedule a meeting at a mutually convenient time.
3. Insight Gathering: During the meeting, we will gather valuable insights from your team to inform and shape our tender specification.
4. Tender Development: We will use the feedback and insights gathered to develop a robust and effective tender.

By engaging with the market, we aim to create a tender that meets the needs of both the Council and potential suppliers.
