Description

How is this for the transparency notice: Thrive Homes is seeking to procure consultancy services that specialise in technology, data, and transformation. The scope of work includes conducting a thorough review of an internal business transformation project, as well as evaluating current progress, technological infrastructure, and strategic objectives through the lens of a consultant with expertise in the housing arena. Additionally, the consultancy will ensure data integrity, security, and compliance. This is a below-threshold direct award being made without competition due to the specialist nature of the requirements.
