II.2.4) Description of the procurement at the time of conclusion of the contract:

CPV Code 85100000 - Health Services

The provision of the Sunderland Integrated Sexual Health Service consists of sexual health services comprising of both screening and treatment for sexually transmitted infections and contraceptive services.

The Service will enable open access, cost effective and high quality provision of contraception and prevention, diagnosis and management of sexually transmitted infections. This will be provided according to evidence based guidance and adapted to the needs of the local populations.

The Service aims to improve sexual health by providing easy routes of access to interventions and ensuring sexual health and contraceptive needs can be met through a single service, usually by one health professional. The Service will offer extended opening hours and be provided in accessible locations.

The commencement date for the contract was 1st October 2019 and the expiry date for the contract was 30th September 2024 with the option to extend for up to a maximum of 2 years.

Justification for not providing organisation identifier

Not on any register

The contractor/concessionaire is an SME

No

VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The contract was varied to the value of £4,772,976 (£2,386,488 for both 2024-2025 and

2025-2026) following the optional extension of up to 24 months being utilised, and the price increased for the non-pay element of the price which has not increased since the commencement of the contract in 2019.

Prior to the 2024-2025 variation the contract had been varied on six occasions by a collective value of £446,938. The variations covered increased staffing costs as a result of NHS staff pay award under NHS Agenda for Change and also increased for the inclusion of PREP into the contract.

These modifications were under Regulation 72 of the PCR 2015.

Decision Maker is the Executive Director Health, Housing & Communities.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

This is a Provider Selection Regime (PSR) contract modification notice.

This contract has been modified under Regulation 13(1)(a) Health Care Services (Provider Selection Regime) Regulations 2023 as the modification is clearly and unambiguously provided for in the contract documents.

For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this modification. This contract has now been formally modified.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £15,601,230

Total contract value after the modifications

Value excluding VAT: £16,169,914
