I.6) Main activity

Production, transport and distribution of gas and heat

Section II: Object**II.1) Scope of the procurement****II.1.1) Title**

Contract Award for the design and build of new gas-compression asset project(s) at National Gas Transmission site (Wormington Compressor station).

II.1.2) Main CPV code

- 45255000 - Construction work for the oil and gas industry

II.1.3) Type of contract

Works

II.1.4) Short description

Following the RIIO-2 Re-opener mechanism submitted to Ofgem and their subsequent Compressor Emissions Final Option Selection, National Gas Transmission (NGT) is awarding the contract for the delivery of new compressor installation projects at high-

pressure gas compression site. The procurements relate to Wormington Compressor Site to ensure compliance with MCPD legislation (Medium Combustion Plant Directive) by 2030.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

National Gas Transmission (NGT) invited interest from suitable Economic Operators to pre-qualify and tender for the delivery of new compressor installation at high-pressure gas compression site. The procurement relates to new compressor installation required at Wormington Compressor Site to ensure compliance with MCPD legislation (Medium Combustion Plant Directive) by 2030. The procurement consisted of a pre-qualification of Applicants, shortlisting those to be invited to tender and then a competitive tender of those shortlisted. The future works will include but not be limited to; early feasibility design, detailed design, engineering procurement, construction and commissioning of *1 new compressor unit at Wormington. New compressor train equipment will be procured separately by National Gas Transmission and free issued to the installation contractors procured via this procurement event. Following the completion of the tender evaluation period, Contracts are now being awarded for the Works (Design-and-Build) to the successful Contractor(s) for Wormington.

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Restricted procedure

IV.1.3) Information about a framework agreement or a dynamic purchasing system

A dynamic purchasing system was set up

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

IV.2) Administrative information
