II.1.4) Short description

NAC are exploring the possibility of appointing a supplier to help support the council's various waste collection services by delivering a lid replacement programme, and delivering exchanging, and removing new and replacement containers at properties in North Ayrshire. Containers will be stored on Council premises and remain the property of the Council until passed to the supplier.

North Ayrshire Council (NAC) seek to engage with the market about this potential future contract opportunity.

Initial investigations are being conducted into the feasibility of this scheme. Responses to this PIN will form the basis of a feasibility study.

NAC welcomes expressions of interest from suppliers, by completing the questionnaire below and returning to fionawilson@north-ayrshire.gov.uk before close of business 06/01/25

II.2.4) Description of the procurement

The successful supplier would be expected to deliver, remove and exchange bins and food waste caddies to/from domestic and commercial address from/to secure storage facilities. The supplier will be required to deliver these bins to domestic and commercial properties in line with a Daily Schedule of Work, ensuring deliveries are accompanied with a Delivery Notice which is to be posted through the residents letterbox and the serial number referenced on the delivery list.

The supplier will be required to:

- Collect and accept delivery of two and four wheeled bins on a tail lift vehicle in conjunction with a council representative at a designated site in North Ayrshire
- Attach wheels and axels onto each plastic bin where required prior to delivery at properties. Remove bins where required.
- Drop off bins that are removed from domestic properties, trade properties or recycling sites, which are contaminated or full of waste, at a designated site in North Ayrshire for emptying, washing out and cleaning by the Council
- Carry out a lid replacement programme by attaching lids to plastic wheeled bins at domestic properties
- Repair returned plastic bins for re-use, where there is damage to lid or axles.

The supplier will be required to collect bins even if they are full or contain waste. Additional tasks may include:

- Delivery of information packs to households when bins are delivered
- Posting of delivery notices
- Attachment of adhesive information stickers to the lid or body of the bin

A market engagement day will be held on 14/01/25 to provide an opportunity for interested suppliers to meet with the council to discuss the requirements. The engagement day will be held virtually via Microsoft Teams.
