II.2) Description

II.2.3) Place of performance

NUTS codes

- UKG22 - Shropshire CC

Main site or place of performance

Shropshire CC

II.2.4) Description of the procurement

The delivery of the works undertaken by the Contractor under this Contract shall enable the Council to discharge their responsibility for Asbestos Consultancy – Surveying & Monitoring Works as stated in the specification 2.1 Scope of Contract

Please refer to Schedule 1 Specification Document and Pricing Schedule for full details of the requirements and indicative property details across the contract.

In summary:

Asbestos Surveying – Management/Reinspections/R&D

The production of the new survey shall be carried out according to the provisions of HSG264 – ‘Asbestos: The survey guide’ and as stated in the Specification document The Contractor shall use data gathered during site visits to identify, assess and report on the risks associated with the to enable the Client to discharge his duties under Control of Asbestos Regulations (CAR) 2012 and the Health and Safety at Work etc. Act 1974.

All asbestos survey report types are to be produced as a new stand-alone document. Previous asbestos survey will be made available which will form the basis of the reinspection surveys. Any new management or R&D surveys are to be produced as completely new documents with new samples obtained. The management survey will provide no reference to previous surveys. The R&D surveys will provide reference to the most current management/reinspection survey, to ensure anyone reading the report is able to obtain a full overview of the site. The Contractor is to be certain that the information they will be providing to the Council is correct and no assumptions are being made from historical data.

The Contractor will undertake reinspection surveys for all sites detailed within the Pricing Schedule. The Contract Administrator will inform the Contractor when new management surveys are required. R&D surveys will primarily be requested from other surveyors within the PSG structure, in addition to the Contract Administrator.

Tenders are being invited to the period 1st April 2025 – 31st March 2028. Thereafter, the

contract may be extended for a further two years (up to 31st March 2030) subject to satisfactory performance during the initial contract term.

Prices submitted are initially for the period of 1st April 2025 to 31st March 2026 thereafter the contractor may submit a cost adjustment to the tendered figure for the following 12 months that is in line with the Consumer Price Index for the previous calendar year period as defined on the ONS website under the “CPI All Item: percentage change of 12 months data series”, and which is subject to the approval by the Council. However, in any event, the Council reserves the right to negotiate with the Contractor any proposed increase in rate if in its opinion they are not justified.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £375,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

1 April 2025

End date

31 March 2030

This contract is subject to renewal

Yes

Description of renewals

Tenders are being invited to the period 1st April 2025 – 31st March 2028. Thereafter, the contract may be extended for a further two years (up to 31st March 2030) subject to satisfactory performance during the initial contract term. Renewals will be after 5 years.
