Scope

Description

Imperial War Museums (IWM) is seeking to establish a new Minor Works Framework Agreement to support the delivery of planned and reactive minor works across its estate over the next three to four years.

Framework Structure:

The Framework is divided into two Lots, each covering different geographic areas.

Up to four suppliers will be appointed to each Lot.

Each Lot will be evaluated independently; appointment to one Lot does not guarantee appointment to another.

Lot Details:

Lot 1 - Building and Civil Engineering (B&CE) - South-East

Covers:

IWM London

IWM Parkside Office

HMS Belfast

Churchill War Rooms

IWM Duxford (Cambridgeshire)

Lot 2 - Building and Civil Engineering (B&CE) - North-West

Covers:

IWM North (Manchester)

Eligibility and Bidding:

Bidders may apply for one or both Lots.

Those servicing only London and Duxford should apply for Lot 1.

Those servicing only Manchester should apply for Lot 2.

Bidders wishing to cover all IWM branches must apply for both Lots.

Selection Criteria:

Suppliers will be selected based on IWM's confidence in their ability to deliver high-quality services.

Evaluation will follow the assessment methodology and award criteria outlined in the tender documents.

Objective: IWM seeks experienced and capable suppliers who can offer:

High-quality services

Competitive pricing

Prompt response to the needs of any IWM branch

Framework operation description

Rates of pay shall be confirmed by each supplier as part of their tender submission. These submitted rates will be deemed fixed and will form the basis for pricing any works commissioned under the Framework.

IWM reserves the right to call off work directly with any appointed supplier under the Framework. However, IWM also retains the option to conduct a mini-competition between Framework suppliers where appropriate, in order to obtain the most economically advantageous offer for specific tasks.

In both instances-whether through direct award or mini-competition-a Tasking Form, as outlined in the tender documentation, will be completed and used as the formal record of the call-off.

Award method when using the framework
