II.2.4) Description of the procurement

This procurement seeks proposals for providing MRO Consumables to ABP, covering mechanical and electrical items like valves, pumps, and lubricants. Suppliers will submit a detailed response via the ABP portal, ensuring all required questions are answered to avoid exclusion. The deliverables in scope are limited to the UK, with ABP's primary locations including 21 ports. The annual spend is estimated at £30m. Suppliers must demonstrate their solutions meet ABP's goals of value, service, simplification, and quality. Objectives include understanding supplier capabilities, streamlining procurement, achieving value improvements, implementing pricing controls, and establishing long-term relationships. Responses will be evaluated to shortlist suppliers for potential presentations to ABP.
