II.1.4) Short description

Tenders are invited for the supply of the Drug & Alcohol Integrated Recovery-Oriented System of Care in the city of Derby across two Lots:

Lot 1 - Drug and Alcohol Integrated Recovery-Oriented System of Care (Adults)

Lot 2 - Integrated Children and Young Person's Drug and Alcohol System of Care

We require an Integrated Drug and Alcohol Recovery Oriented System of Care (ROSC) which serves residents of Derby - as defined by the Local Authority boundaries. Through one contract the service will provide a range of evidence-based interventions to individuals requiring drug and alcohol support across the full spectrum of need.

A wide range of high-quality, evidence-based interventions will be provided which focus on reducing the harms caused by substance use and promoting recovery. Intervention delivery will be intelligence led and insight driven, person-centred, gender specific, sensitive to trauma and will appropriately engage with people from the wide range of cultures which Derby comprises of.

The service will support people aged 18 and above and must develop distinct and appropriate offers for people who use:

- Alcohol
- Opiates
- Non-opiates
- Prescription only medication / illicitly obtained medications
- Poly substances

The Provider must monitor new and emerging patterns and trends in substance use. The provider must be agile and innovative to address emerging risks/need and responses may require swift and innovative resolution that occurs without the need for contract variation.

The service will not directly provide residential rehabilitation or inpatient detoxification but will undertake assessment, facilitation of placement, and continued evaluation and support to ensure successful completion as per section 2.8 of the specification. This is purchased via separate arrangements and this process will be confirmed with the successful bidder.

The service will not directly provide community pharmacy-based needle exchange or supervised consumption but will develop appropriate pathways and channels of communication with all contracted pharmacies as part of delivering a high-quality ROSC.

The Local Authority directly commissions Urine Drug Testing and screening. It will be the responsibility of the provider to work with commissioners to contain costs and ensure that testing services meet current levels of need and changing drug use profiles.

The contract commencement date is 1st April 2026 and will run for an initial term of 3 years to 31st March 2029. There will be the option to extend for a further 24 months in annual increments to 31st March 2031. Maximum term, therefore, is five years.

VI.3) Additional information

This is a Provider Selection Regime (PSR) Contract Notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Procurement Act 2023 do not apply to this award.

The award criteria, which will be used to evaluate bids and select a successful Bidder to which the Council intends to award the Contract, are designed to allow the selection of the bid that represents the most economically advantageous tender, rather than lowest price alone. This evaluation will be based on a combination of quality and financial criteria as set out below.

- Price 30%
- Quality 70%

There will be an initial assessment of bids received based on the initial suitability criteria as set out in the tender documentation.

Bids will then be assessed based on the above price/quality criteria.

Interviews and Presentations, if required, will then be held.

Please note suppliers wishing to express interest and obtain the documentation must do so by 11.30pm on 17th August 2025. It is recommended that you express interest and obtain the documentation well before this time to allow sufficient time to prepare and submit a bid.

The deadline for returns is 10.00am on 18th August 2025.

Documents are available at www.eastmidstenders.org

Please search for TD2270

Please note: we will only accept expressions of interest through the e-tendering system.

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Precise information on deadline(s) for review procedures:

Derby City Council will incorporate a minimum 8 working days standstill period at the point information on the award of the contract is communicated to tenderers. This period allows unsuccessful tenderers to seek further debriefing from the contracting authority before the contract is entered into.

Applicants have 2 working days from the notification of the award decision to request additional debriefing and that information has to be provided a minimum of 3 working days before the expiry of the standstill period. Such additional information should be required from the contact details provided in section 1.1 of this notice.
