Description

The service will facilitate and support the subscription to primary care aligned to the delivery of national priorities and manifesto commitments. The support subscription will provide opportunities for primary care team members to unlimited access development through a series of structured training events, networking opportunities personal development sessions, webinars, and workshops, as well as specialist advice via a help desk for immediate support.

In addition, the contract provides 314 credits which can be used to access several different services which include:

National events programmes, Locally run workshops, informed facilitation, a range of leadership development resources, executive coaching and workshops to develop teams as well as a range of other support, including access to specialist advisers and virtual

networking solutions (through NHS Networks). Credits can be used to access this support by agreement.

This service will be accessible for all primary care contractor groups (GP, pharmacy, ophthalmic and dentistry) within the North East and Yorkshire, including Cumbria.
