## Scope

#### Reference

TND-0001135

# **Description**

The university of Chichester has a requirement for a suitably qualified contractor to undertake maintenance and servicing of our Building Management Systems.

The University is located on two sites in West Sussex, one being the Bognor Regis Campus in Upper Road, Bognor Regis and other at the Bishop Otter Campus in College Lane, Chichester, plus Stockbridge E, Stockbridge Road, Chichester and other 'Managed' properties. It should be noted that the University

operates a non-smoking policy.

#### **Current Service Operations**

The contract will operate for 52 weeks a year. Contractors are required to submit a detailed programme and schedule for all periodic servicing of Building Management Systems before the start of the contract year, to be agreed with the University

#### Access Arrangements

Services normally take place between Monday and Friday after 0900 hours and before 1800 hours in all residential and communal areas

Arrangements for alterations to these times will be made by agreement with the Supervising Officer before commencing operations.

Entry to any building or student room is by appointment only, arranged by the Estate Management Department. The contractor is required to give the University's Estate Management Department 48 hours' notice minimum of its intention to carry out a service visit.

A full specification of works is available and marked Appendix 2. A schedule list of current systems is available and marked Appendix 3. Maintenance documents for automatic control valves and actuators are provided in Appendix 6. Maintenance documents for optimisers and compensators are provided in Appendix 7. These documents should be read and understood.

Full details of our requirements are available in the tender documents.

All tender documents, Questions and Answers are open to all bidders. Please send your completed submission to the University by the closing date of 29 July 2025 at 09:00am, to tenders@chi.ac.uk.
