Not on any register

Internet address(es)

Main address

<https://www.nifrs.org/>

I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Public order and safety

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Draeger Additional Non-Contract Repairs

II.1.2) Main CPV code

- 35111100 - Breathing apparatus for firefighting

II.1.3) Type of contract

Supplies

II.1.4) Short description

As part of Northern Ireland Fire & Rescue Service's (NIFRS) operational fire fighters duties, they have to enter operational incidents wearing Breathing Apparatus (BA). This system allows the firefighter to breathe clean air which enables them to carry out rescues or to fight fires in burning or smoke filled buildings. Each BA set has a cylinder that contains clean air; the cylinder only has a limited amount of clean air so fire fighters are restricted on the length of time they can operate effectively in this environment before they have to exit the building and change the cylinder. This contract will enable vital repairs to be undertaken on this Apparatus.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £200,000

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKN - Northern Ireland

II.2.4) Description of the procurement

As part of Northern Ireland Fire & Rescue Service's (NIFRS) operational fire fighters duties, they have to enter operational incidents wearing Breathing Apparatus (BA). This system allows the firefighter to breathe clean air which enables them to carry out rescues or to fight fires in burning or smoke filled buildings. Each BA set has a cylinder that contains clean air; the cylinder only has a limited amount of clean air so fire fighters are restricted on the length of time they can operate effectively in this environment before they have to exit the building and change the cylinder. This contract will enable vital repairs to be undertaken on this Apparatus.

II.2.5) Award criteria

Price

II.2.11) Information about options

Options: No

II.2.14) Additional information

This Contract is for a period of 10 years with no option to extend. The contract commenced on 18th November 2024. The Client cannot guarantee any particular level of business within the Contract. Any information on value of business are for guidance only and no guarantee is given as to the exact value under this Contract. Any levels, or aggregate values of goods, referred to are indicative only and shall not be binding on the Client.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

This DAC is required and in accordance with Exclusive Rights 32(2)(b)(iii) Reasons.

The BA sets are manufactured by a company called Draeger Safety UK and they are the only people authorised to carry out any servicing or repairs on this piece of equipment, also only parts supplied by Draeger Safety UK can be fitted to the BA sets therefore they are the sole supplier for the Service and Repair of the equipment and will ensure that NIFRS can continue to keep this critical piece of operational equipment serviceable and fully operational.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.1) Previous publication concerning this procedure

Notice number: [2024/S 000-029647](#)

Section V. Award of contract

A contract/lot is awarded: Yes

V.2) Award of contract
