II.1.4) Short description

Event Exeter, operating as part of the University of Exeter, is responsible for overseeing all events held across its Streatham and St Luke's campuses. These events span a broad range of sizes and types, from smaller functions for approximately 100 attendees to large-scale concerts and gatherings for up to 1,700 guests. Events are held year-round, with security needs adapted to meet the unique demands of each occasion. To successfully run these events we are looking for a range of suppliers to join our internal framework from which we will call off as needed. The areas we require are security, medical cover, marquee hire and furniture and equipment hire, detailed in four separate lots.
