II.1.4) Short description

NHS London Procurement Partnership (NHS LPP) are releasing the Dynamic Purchasing Page 5 to 8

System (DPS) for Works and Maintenance (formerly known as Minor Works and Maintenance) , which is made up of a number of related categories to support the NHS and the wider public sector to meet their repairs, renewals, backlog maintenance requirements.

The categories are going to be released in a number of waves, potential suppliers are asked to review the description for each category and ensure that they meet the criteria before completing the required documentation to apply for a place on the DPS. The DPS is free for suppliers to apply to and has no limited value of works. The DPS will remain open to new applications throughout the life of the DPS, so suppliers can apply at any stage.

The categories are: air handling units, filters, ventilation and extraction, asbestos removal/treatment, boilers and associated plant (install and Maintain), brick and blockwork, building (General), Building (Hospital), building management systems and automatic control systems, cleaning and site clearance, cooling and refrigeration – chillers condensers and split A/Cs, demolition work, doors, drainage, electrical installation and maintenance/services, emergency lighting and power, fencing and gates, fire protection, flooring (general), glazing, joinery and partition, landscaping, lifts, escalators and conveyance systems, medical gas pipeline and equipment maintenance, painting and decorating (general), plastering, plumbing, portable appliance testing and fixed wire testing, road maintenance (minor works), roofing, scaffolding, security, access control, intruder and CCTV systems, UPS and generators, wall and floor tiling, water systems — servicing, legionella testing, thermostatic mixing valves, water hygiene and associated plant, windows (PVCU), Curtain Wall, Sustainable onsite generation, Refurbishment, Mechanical & Electrical, Car parks, Building Information Management, Heat Networks, Energy Assets.
