Scope

Description

The Trust is about to embark on a project to replace/upgrade a significant number of doors/doorsets across their two primary sites at Birmingham Women's Hospital and Birmingham Children's Hospital. The contractor will be required to work with the Trust to confirm the extent of the works and location can be delivered within the anticipated funding. In submitting their tender, the contractor is referred to Specification Section 2 which identifies the minimum door/frame and ironmongery requirements. The Trust are looking to complete the works by the end of March 2026.
