Scope

Description

The Lake District National Park Authority (LDNPA) invites contractors to submit a tender for the following work

Anglers Crag (Lot 1, estimated value £18,000)

The works will include:

Sourcing and flying appropriate stone

Pitching / better defining the approach for the first section of bedrock

Robust repair to section of revetment wall

Landscaping of side route associated with first section of bedrock

Landscaping section of side route associated with second section of bedrock

Landscaping to remove third side route (if approaching from head of the lake)

Intersect between Loft Beck and Moses Trod (Lot 2, estimated value £5,000, including the price of a provision sum of £1,000 for installation of a replacement gate)

The works will be undertaken by hand, and will include:

Landscaping to reduce to one line through collapse and grade in of banks

Addressing drainage issues, addressing flow of small beck and improve drainage from above

Removal of cairn

Installation of a replacement gate (tbc). A provisional sum of £1,000 has been allocated in the pricing table. Please use this provisional sum for the purpose of tender submission

Approach to Fleetwith Tramway (Lot 3, estimated value £40,000)

The works will include:

Defining/Improving the definitive line (footpath) that joins Fleetwith Tramway (with machine)

Eradicating the line of the "corner cut" and undertaking practical work to reduce its attractiveness

Re-profiling 1,000sqm of peat hags

Total value (estimated)

- £63,000 excluding VAT
- £75,600 including VAT

Below the relevant threshold

Contract dates (estimated)

- 15 September 2025 to 27 February 2026

- 5 months, 13 days

Main procurement category

Works

CPV classifications

OVERALL maximum possible score 100

Scoring for the evaluation criteria

0 Fails to produce any evidence against requirements.

1 Predominantly limited evidence against requirements.

2 Shows evidence of some areas matching requirements but there are concerns that indicate significant development needs.

3 Majority of evidence meets requirements with 1 or 2 falling short but not significant. May have 1 or 2 'over and above' elements.

4 Predominantly demonstrates evidence matching requirements, but with a couple 'over and above'.

5 Most 'over and above' evidence.

Procedure

Procedure type

Below threshold - open competition
