Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

It is a requirement of this procurement that Tenderers hold, or can commit to obtain, prior to the commencement of any subsequently awarded Contract, the insurance and financial requirements indicated below:

Insurances:

Employers Liability Insurance (Compulsory) = 10 million GBP in respect of each claim without limit to the number of claims.

Public Liability Insurance = 5 million GBP in respect of each claim without limit to the number of claims.

Motor Vehicle Insurance = Minimum Third Party Motor Vehicle Liability in respect of any motor vehicle or plated plant used.

Professional Indemnity Insurance = 2 million GBP in respect of any one claim or in the aggregate.

Evidence for insurance requirements will be requested at the "Request For Documentation" Stage.

Documentation requested for the above insurances will include the names of insurers, policy numbers, expiry dates, limits of any one incident, annual aggregate caps, excesses and claims handling procedures.

Financial Standing:

The Council will access a Creditsafe report for a Tenderer's organisation and use the information contained within to assist with the assessment of the Tenderer's economic and financial standing.

In the event that this analysis is unavailable or unsatisfactory the Council will request the following information below:

A copy of the organisation's audited accounts or equivalent for the most recent 2 years, along with details of any significant changes since the last year end.

OR

A statement of the organisation's turnover; profit and cash flow for the most recent full year of trading or where a full year trading has not been completed the same information for the period applicable. NOTE if this information is not available in an audited format Tenderers may be required to provide an end of period balance sheet or make the

response specified below.

OR

If Tenderers are unable to provide the information requested above, they may be required to provide additional information and documentation that will give the Authority the assurance that they are capable of carrying out any subsequent awarded contract. For example, a statement of their organisation's cash flow forecast for the current year and a letter from the organisation's bank outlining the current cash and credit position or other alternative means of demonstrating financial standing.

Once the Council has received and considered such financial information as is made available in line with the requirements above, the Council shall have discretion to ask Tenderers to provide either a parent company guarantee and/or a guarantee from an agreed financial institution as it considers appropriate (acting reasonably).

In the event that additional measures are requested, the Council shall, in its sole discretion, determine the terms of those measures that it deems as acceptable. If Tenderers cannot provide measures to the satisfaction of the Council then their submission may be rejected.

Evidence for this requirement may be requested at the "Request For Documentation" Stage.

III.1.3) Technical and professional ability

List and brief description of selection criteria

Tenderers will be required to provide evidence of having the necessary capacity and capability to deliver the requirements for the Provision of a Management Agent to deliver Scottish Government Energy Efficient Programmes The below requirements will be requested at the "Request for Documentation" Stage:

Two (2) examples of the provision of similar services may be requested and must be from within the last 3 years for goods and services and within the last 5 years of work contracts.

If Tenderers are unable to provide two (2) examples the tenderer may be required to explain why examples cannot be provided.

Tenderers may also be required to provide:

Technical Skills

A statement of the relevant professional and technical skills available within your organisation; or where applicable, consortium members and/or named sub-contractors in relation to this procurement exercise.

Guidance

The buyer will use the information you provide to evaluate whether your organisation; consortium members and/or named sub-contractors have the relevant professional and technical skills required for this procurement exercise.

Technical Resources

A statement of the relevant technical resources such as the tools, plant, facilities and technical equipment available to your organisation, or where applicable, consortium members and/or named sub-contractors in relation to this procurement exercise.

Guidance

The buyer will use the information you provide to evaluate whether your organisation; consortium members and/or named sub-contractors have the relevant technical resources for this procurement exercise.

Technical Confirmation

If available, copies of completion certificates or customers' written declaration which validates the examples you have provided.

Guidance

If you cannot provide certificates or customer declarations the Authority may choose to contact customers cited directly in order to validate the experience examples you have provided without any further reference to you.
