Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The current units are now obsolete and need to be replaced as they can no longer be serviced or repaired, the current maintenance contracts that were in place recently ended in September 2024. By replacing these units like for like this decreases expenditure by eliminating staff training of new devices and would also contribute to the continued high standard of care provided to patients.

IV.1.3) Information about a framework agreement

The procurement involves the establishment of a framework agreement

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
