II.2.4) Description of the procurement

Although most of patient transport in this context is provisioned via the Scottish Ambulance Service, there are occasions where capacity is maximised and it is against this backdrop that the Health Board requires additional patient transport. The transport required is e.g.

Non-ambulatory patients who require to be conveyed on a stretcher

Non-ambulatory patients who require to be conveyed on a trolley/stretchers, chair or stair climbers.

Some patients can be ambulant but require assistance walking to and from their homes and hospital/treatment centres.

This can be for situations where:

A patient is receiving palliative care and needs to be transferred home or to a care home

A patient requires to be transferred from an acute hospital to another hospital.

A patient requires a transfer from an acute hospital in Greater Glasgow & Clyde and Lanarkshire to another acute hospital out with Greater Glasgow & Clyde and Lanarkshire and then potentially returned

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

All bidders must complete the Single Procurement Document (SPD) via the Public Contracts Scotland - Tender (PCS-T) portal. Bidders must read the SPD in conjunction with all of the sections set out below. Failure to provide information will exclude bidders from participation in the tender stage.

With reference to SPD Question 4A.2a, bidders must confirm that they are a registered member of the National Association of Private Ambulance Services (NAPAS) or the

Independent Ambulance Association (IAA), or an equivalent body.

III.1.2) Economic and financial standing

List and brief description of selection criteria

With reference to SPD question 4B.6, NHS Greater Glasgow and Clyde retains the right to conduct a credit check on participants within this tendering opportunity at any point from publication to contract-end. Please declare any information which may be relevant to any such financial checks, which is known to your organisation at the time of tender submission.

Minimum level(s) of standards possibly required

With reference to SPD question 4B.5.1b, EO's must hold and evidence Employer's (Compulsory) Liability Insurance = GBP 5m. If EO's do not currently have this level of insurance, they must agree to put it in place prior to contract commencement. This is a pass/fail question. In failing, EO's will be excluded from participation in the tender stage.

With reference to SPD question 4B.5.2, EO's must hold and evidence Public Liability Insurance = GBP 10m; and Professional Indemnity Insurance = GBP 1m. If EO's do not currently have this level of insurance, they must agree to put it in place prior to contract commencement. This is a pass/fail question. In failing, EO's will be excluded from participation in the tender stage.

III.1.3) Technical and professional ability

List and brief description of selection criteria

With reference to SPD question 4C1.2 bidders are required to provide examples that demonstrate they have the relevant experience to deliver the services. Examples must be from within the last three (3) years. Bidders must provide details of three (3) instances of the organisation's experience in delivering services similar to those described. If applicable, the Board would prefer these similar services to be related to a contract undertaken by the consortium or the leading company and their sub-contractor(s). Use the template uploaded with this Contract Notice only to respond. If you do not provide three (3) examples of experience or references, this will be a non-compliant request to participate and your tender will be excluded from the tender stage.

With reference to SPD question 4C.8.1, bidders are required to confirm their average annual manpower for the last three years.

With reference to SPD question 4C.9, bidders will be required to demonstrate that they have (or have access to) the relevant tools, plant or technical equipment to deliver the types of requirements detailed in the Specification.

Minimum level(s) of standards possibly required

With reference to SPD question 4D.1 Tenderers must evidence or commit to obtain ISO9001 or other documented quality management system endorsed by the organisation's Chief Executive or equivalent.

With reference to SPD question 4D.1 EO's must hold and evidence or commit to obtain, within 6 months of the contract start date, a whistleblowing policy consistent with the National Whistleblowing Standards that can be found at the following link:

<https://inwo.spsa.org.uk/national-whistleblowing-%20standards>

With reference to SPD question 4D.2 EO's must evidence or commit to obtain ISO14001 or other documented quality management system endorsed by the organisation's Chief Executive or equivalent.
