Engagement

Engagement deadline

25 June 2025

The engagement was carried out before this notice was published.

Engagement process description

A general meeting between a Senior Conservation Works Officer at Moors for the Future (MFF) and a supplier at MFF's offices on 25 June 2025 regarding possible sphagnum supply for peatland restoration projects and working with water company partners and other

partners. It was confirmed that a framework tender was likely to be published around the beginning of July 2025 for a 6 year open framework with 2 lots: Lot 1 up to 3,000,000 plugs per annum and Lot 2 up to 50,000 plugs per annum to assist and engage SMEs. The supplier indicated that early supply would assist all suppliers in freeing space for production in subsequent years.

No expressions of interest were invited and no clarification questions were issued.
