## Section II: Object

### II.1) Scope of the procurement

#### II.1.1) Title

Contract for Maintenance of Pumping Station Assets

Reference number

CCS/24/123

#### II.1.2) Main CPV code

- 71334000 - Mechanical and electrical engineering services

#### II.1.3) Type of contract

Services

#### II.1.4) Short description

You are hereby invited to tender for the above contract which involves the service maintenance and operation of pumping station installations and ancillary equipment that are controlled by the City and County of Swansea. You are hereby invited to tender for the above contract which involves the service maintenance and operation of pumping station installations and ancillary equipment that are controlled by the City and County of Swansea. The responsibility for the installations are spread over a number of Departments within the Council, but the co-ordinating responsibility rests with the Highways and Transportation Department. The majority of the above mentioned stations have telemetry links and the successful contractor will be required to respond to telemetry alarm “call outs” by attending the station both during normal working hours and out of hours.
