**VII.2) Information about modifications**

**VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Extension utilised for 12 months and two further price variations:

- March 2024 an additional £20,804

- November 2024 an additional £33,984

Total spend is therefore £232,783 relying on PCR 2015 Regulation 72 (1) (b).

The purpose of this notice is to demonstrate full transparency to the market.

### **VII.2.2) Reasons for modification**

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

Retention of the current consultant enables retaining knowledge of the project that has been built up over the course of the agreement and would also make economical sense by enabling the project to be completed in a timely manner; if a new consultant stepped in, they would have to take time to understand the project and this would be likely to add time and cost.

Unforeseen architectural design changes and structural design changes were unforeseen.

Please note that the reference in IV.1.9 actually relates to the Contracts Finder reference which was IOW001-DN646232-37333788. The original award notice wasn't published in FTS due to the previously lower value.

### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £54,788

Total contract value after the modifications

Value excluding VAT: £232,783
