Description

Safety Central is Cheshire Fire Authority's safety and lifeskills education centre, located in Lymm just outside Warrington. The centre has several interactive and scenic features that include lighting, scenery and audio-visual effects. The Authority requires a contract for maintenance and repair of Interactive Features, Lighting and Scenery. There is also a requirement for the contract to include any new or additional requirements including, but not limited to, additional equipment/interactive features, lighting and/or scenery or any refresh/refurbishments that may be required during the duration of the contract. The contract will be awarded for three years initially, with up to two annual extensions.

Total value (estimated)

- £150,000 excluding VAT
- £180,000 including VAT

Below the relevant threshold

Contract dates (estimated)

- 1 October 2025 to 30 September 2028
- Possible extension to 30 September 2030
- 5 years

Description of possible extension:

The contract will be awarded for three years initially, with up to two annual extensions.

Options

The right to additional purchases while the contract is valid.

There is also a requirement for the contract to include any new or additional requirements including, but not limited to, additional equipment/interactive features, lighting and/or scenery or any refresh/ refurbishments that may be required during the duration of the contract and any extension period(s).
