programme. This audit programme is designed to reduce the risk of payment of grants to ineligible or non-compliant installations or participants and applicants; thus, ensuring the BUS provides value for money for UK taxpayers.

The overarching requirements of the audit site visit, regardless of Scheme, include the successful tenderer's auditors to:

Check the accuracy of data provided to Ofgem. This includes data provided in any reports;

Securing assurance of compliance with Ofgem's published guidance and with any procedures or Scheme that the Authority may have agreed with the participant;

Detecting non-compliance and fraud, either on the part of the Auditee or those parties with whom they have a contract for delivering their obligations; and

Detecting departures from good practice that have resulted, or that may result in the incorrect supply of information to Ofgem.
